SOFTWARE IMPLEMENTATION ENGINEER

syazar222@gmail.com

Thiruvananthapuram

SUMMARY

Highly motivated Software Implementation Engineer with 3 years of experience in delivering robust software solutions. Proven ability to analyse requirements, design, develop, and implement software applications. Skilled in software installations, databases, front-end technologies. Seeking a challenging role to contribute to innovative software projects.

WORK EXPERIENCE

SOFTWARE IMPLEMENTATION SPECIALIST AT TANJER INFOSYSTEMS PVT LTD

March 2021 - July 2024

I worked as a Software Implementation Specialist at Tanjer Infosystems, where I contributed to various branches across the GCC countries. I successfully managed multiple client relationships and consistently delivered high-quality results for the company.

PROJECT EXPERIENCE

SOFTWARE IMPLEMENTATION SPECIALIST AT TANJER INFOSYSTEMS PVT LTD (DUBAI REGION)

Jan 2024- July 2024

Provided comprehensive administrative and operational support to the project Manager in managing software development projects.

Developed and maintained detailed project plans, schedules, and resource allocations.

Effectively tracked project progress, identified potential risks, and implemented mitigation strategies.

Coordinated with cross-functional teams to ensure project deliverables met quality standards and client expectations.

Contributed to process improvement initiatives within the project management team.

Demonstrated strong organizational and time management skills to handle multiple tasks simultaneously.

Clients Handled

Cambridge Rehabilitation Centre (CMRC)

Star Care Plus Clinic Sharjah

Red Crescent (Client Support)

Med palm (Software Training and Support)

PROJECT MANAGER AT TANJER INFOSYSTEMS PVT LTD (KUWAIT REGION)

Mar 2023 - July 2023

Successfully led and managed multiple software development projects from inception to completion, ensuring alignment with client requirements and business objectives.

Developed and executed comprehensive project plans, including scope definition, resource allocation, and risk management strategies.

Built and managed high-performing project teams, fostering collaboration and effective communication among stakeholders.

Client Handled

Royal City Clinic

JUNIOR SOFTWARE IMPLEMENTOR AT TANJER INFOSYSTEMS PVT LTD (QATAR REGION)

Jan 2022 - Mar 2023

Contributed to software development projects as a junior engineer, focusing on coding, testing, and debugging.

Gained exposure to project management methodologies and assisted in task allocation and tracking.

Contributed to code reviews and provided feedback to improve code quality.

Conducted unit testing and participated in integration testing.

Supported project documentation and knowledge transfer.
